

# ATTENDEE NEWS

The 8<sup>th</sup> Annual Colorado Rodmakers Reunion is only weeks away! Once again it will be nice to see old friends and make new ones.

With our wonderful location, a very informative and interesting program, a great meal menu and 90 attendees we are looking forward to another great reunion.

## **Social Hour and Wine Tasting - Thursday at 5 pm!**

We will have great wines from the Western Colorado area for you to enjoy with hors d'oeuvres.

---

**First Rod, Last Rod, Tools Show & Tell... Rod Building Stories** – Bring your first rod, last rod, tools and share all your funny or interesting stories about their construction or use!

**Ask The Experts** – If you have a question you would like answered by the Experts, please email Lee Koch [info@bamboonets.com](mailto:info@bamboonets.com)

---

**Check In** – Check in starts at 1 pm. Check in early and then spend time casting and visiting.

**Parking** – Look for the parking signs. We will also have our banner at the entrance

**Hats** – We have a supply of hats with our logo and will have them for sale at check in.

**Auction Items** – Please bring something for the Silent Auction. A rod building item that you don't use anymore or anything related to rod building, fishing or any other unique item. Please bring your auction item(s) with you when you check in. Mark and Darrol will need some time to organize everything.

**Be generous** – We will be making a donation this year to “Project Healing Waters”

**Chairs & Beverages** – We suggest that you bring a comfortable lawn chair and your choice of beverages. We will have water and coffee.

**Duty Rosters** – When you check in be prepared to volunteer for some small duties, especially meal helpers!

**Sell n' Swap** – Saturday from 4-5 pm there will be tables available. You can put out anything for sell or swap that is related to rod building or fishing - after you have made your donation to the auction!

**Rods for Sale** – If you have a rod for sale place a piece of blue painters tape on the rod with your name. We strongly discourage sales pitches and ask that your rod speak for itself. If you are interested in purchasing a rod, then talk to the seller. All rod sales are between the owner and the buyer. CRR and its committee members do not endorse any maker's rods. The CRR Committee reserves the right to refuse sellers who are unethical or who we feel are taking advantage of this event in any way.

**Fishing** – The run off should be over and we should have outstanding fishing. Check the [Taylor Creek Flyshop](#) for fishing reports and suggested patterns.
